

*Every year, the Christian world celebrates its most important holiday of the year – The anniversary of the resurrection of Jesus, commonly known as Easter. That holiday signifies the beginning of the development of the Christian age. Over the next few weeks we will look critically at the organization of the Christian church –to see if we can understand why the church is so splintered and divided. This program focuses on one part of that dilemma – Who is in charge? Who runs the church and are any of the systems we see in place built on the Biblical model. So, take a deep breath, because this one will not be easy!*
